Hi Shari, the approval was mailed today.

I do have some questions so I will call you tomorrow pm.

Good morning [REDACTED],

I am following up on EPA's request for access the Hobart Cabinet Company property to conduct soil sampling in the loading dock area. Tom Funderberg mentioned you are willing to talk to us about access. I do not have access to mail since I am working remotely. Can you please confirm if you sent us the signed access agreement or if you'd like to talk about the sampling first? Thank you, Shari
